58th INTERNATIONAL GALVANIC CONFERENCE

June 22nd – 23rd, 2016
KOČOVCE, SLOVAKIA

The 58th International Galvanic Conference makes it possible to meet the Slovak and foreign specialists, designers, scientists and producers working in the field of the surface treatment. Participants of this oldest professional event will have an opportunity to exchange the technical experiences and to establish the new personal, working and business contacts. The Organising Committee is now inviting offers from exhibitors and offers of presentations for this conference.

THE LIST OF THE CONFERENCE TOPICS

- **The influence of the surface treatment on the environment**
- **Progressive technology of the surface treatment**
- **Updating of legislation and problems of the waste**
- **Discussion evening (organised by Slovak Association for Surface Treatment)**

HEAD OF THE CONFERENCE

Prof. Ing. Ján Híveš, PhD.
